

SAYUJRAJ THENNAT

Brand Communications
Manager

Bangalore, India | +918138859327 | sayujrt@gmail.com | [linkedin: Sayuj Thennat](#)

PROFESSIONAL SUMMARY

Brand Communications & Content Production: Experienced in implementing integrated cross-platform communications plans, managing content calendars, and producing engaging content across social media, email, and digital channels. Skilled at maintaining brand identity, tone of voice, and visual consistency across all touchpoints. Hands-on with creative asset production using Adobe Photoshop, Illustrator, and InDesign, and brings a strong visual and creative eye to content aligned with brand guidelines.

Campaign Analytics & Cross-functional Collaboration: Comfortable tracking and analysing campaign performance metrics, course-correcting strategy based on data, and sharing insights with wider teams. Experienced in collaborating with global and regional teams on branding strategy and content execution, coordinating with creative and business development partners, and managing client communications. Brings a proactive, individual-contributor mindset to fast-paced, multi-channel communications environments.

PROFESSIONAL EXPERIENCE

Performance Marketing & Email Specialist

Sep 2025 – April 2026

GoodLife | London, UK

- Implemented integrated email communications plans aligned with brand identity and campaign objectives, managing content calendars, coordinating creative asset production, and ensuring brand tone consistency across all digital touchpoints.
- Collaborated with design teams on asset production and content creation, briefing creative requirements, reviewing outputs for brand alignment, and iterating rapidly to maintain quality across campaign communications.
- Tracked and analysed campaign performance metrics (CTR, open rate, conversion rate), course-correcting content strategy based on data insights, and sharing performance findings and recommendations with the marketing team.

Marketing Assistant

Feb 2024 – Feb 2025

Big Pond Podcasts | Paris, France

- Managed content production and distribution across digital platforms, analysing industry trends and translating insights into strategic content recommendations that improved audience reach and campaign engagement.
- Researched, edited, and published newsletters and blog posts aligned with brand guidelines and editorial standards, building brand visibility and contributing to a consistent cross-channel communications presence.
- Coordinated with external creative partners on asset production and content delivery, ensuring visual and messaging consistency across all materials, and managing communications with partners and stakeholders throughout campaign execution.

Brand Manager

Jan 2023 – Jan 2024

Strollhunt | Paris, France

- Managed brand communications and content production for a brand with over **1 million followers** across Meta platforms, maintaining visual identity and brand tone consistency across all content formats and digital touchpoints.
- Identified emerging content trends and executed creator partnership campaigns that drove a **150% increase in reach within two weeks**. Presented insights to the team to inform future communications planning and campaign strategy.
- Tracked and analysed campaign data via Meta Business Suite, course-correcting brand communications strategy to drive **30% follower growth** and a **43% engagement uplift**, sharing insights and next steps with the wider team.
